QUESTION: Company A and Company B are both prospective bidders on a city  
contract. Company A has requested a state agency to exempt them  
from certain state requirements so that they can lower costs.  
Company B has hired the law/lobbying firm CS&D to represent them  
before the state agency in opposing Company A's request. Is  
it reportable on CS&D's lobbying reports?

ANSWER: \_\_\_\_\_  
No. The activities are exempt under regulation 18202(a)(3)  
which states that a proceeding to enforce compliance with  
existing law is not a quasi-legislative proceeding.
